

FOR AJMAN UNIVERSITY
STUDENTS · FREE

RegWiz

REGWIZ.APP

Three moves from course list to registered.

Pick your courses. Choose
your week. Press register
once — Banner fills itself in.

FREE · NO ADS · NOTHING TO INSTALL

وبالعربي كمان

A timetable builder that also presses the button.

RegWiz works out **every timetable that genuinely fits** from your course list — nothing clashing, ever — then applies the one you choose on Banner's own registration page. In your browser, in English and بالعربي.

01	Pick your courses	page 3
02	Choose your week	page 4
03	Register in one click	page 5
++	The extras	page 6
✓	Reg-day checklist	page 7

01 Pick your courses

Search by name or code and add your courses one at a time — live seat counts included.

ENG 104

✓ ADDED

Introductory Programming

INT 100

✓ ADDED

🔍 Emirati|

Emirati Studies

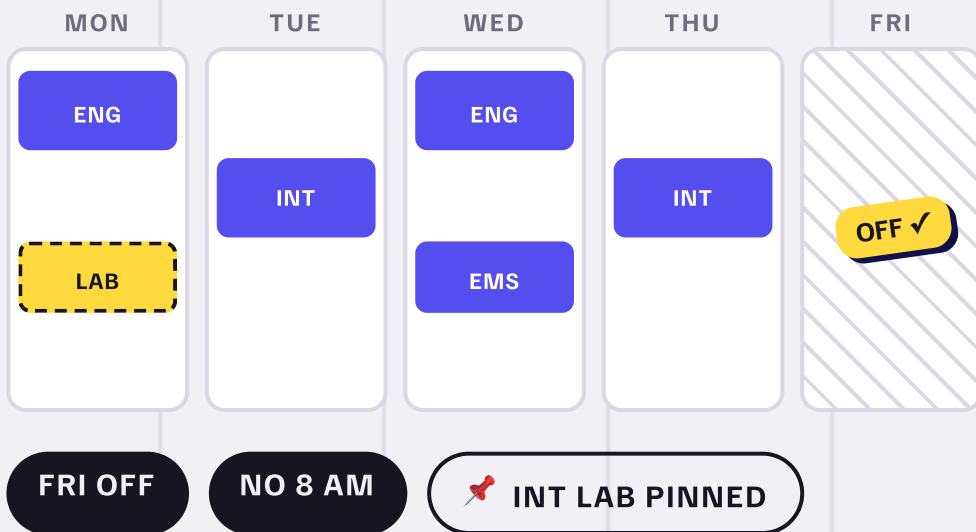

EMS 112

+ ADD · 12 SEATS

psst: seats refresh while you plan

02 Choose your week

Every schedule that works, ranked. Filter for a day off or a later start; pin what you must keep and RegWiz rebuilds the rest around it.

SCHEDULE

4 of 96 that fit

03 Register in one click

Banner Sync opens Banner's own registration page and applies your whole schedule in one pass. You're still the one registering.

Register on Banner

ENG 104

ADDED ✓

INT 100 • Intro Programming

ADDED ✓

EMS 112 • Emirati Studies

ADDED ✓

The whole semester, in one press.

then close the laptop

Four more things it does for you

Seat alerts

your phone buzzes the
moment a seat opens in a
full section

Fee calculator

the semester's cost
upfront, before you
commit

Calendar export

your week in Apple or
Google Calendar, one tap

Share & compare

send a friend your
schedule and match your
free hours

وبالعربي كمان — flip the language from the top bar.

Before your slot opens, tick these

- ☐ **The night before:** add your courses and shortlist a few schedules.
- ☐ **Pin** the sections you can't lose.
- ☐ **Full section?** Seat alert on. Stop refreshing.
- ☐ **Check the fee estimate** before you commit to the load.
- ☐ **When your slot opens:** press Banner Sync.

The whole thing takes about three seconds.

regwiz.app

Scan. That's it.

It opens in your browser —
nothing to install.

Free for all AU students. No ads. Ever.

Ghaith AlHallak

Software engineer & AU student. I built
RegWiz so no one else loses a morning to
Banner.
